I would like to co-coach a youth squad with: _____ who is on the
____ Spirit squad.

Three characteristics that describe me best:

Other than you love working with kids how do you feel you would make a good UYFA
Coach: _____

If a team member on my youth squad is not following directions or does not want to participate I would handle the situation

by: _____

It is important the girls on UYFA squads learn the proper skills needed in order to be on a Union School squad when they are older, how would you incorporate these skills into your practice and or games?

What would be a typical practice schedule that would allow you to incorporate these skills?

List 3 references (include name, relationship, and phone number):

I understand that if I am to be chosen to be a Spirit Coach, I am responsible for all students on the squad. I must attend all practices, games, and coaches meeting, and camp. I am responsible for the girls on the squad through the entire football season which includes regular season and post season games. I must stay with my squad at all times. If any conflicts arise I will contact the appropriate chain of command established by the UYFA Spirit Director.
