I understand that if I am to be chosen to be a Spirit Sponsor, I am the adult responsible for all students on the squad. I must attend all practices, games, and sponsor meetings. I am responsible for the girls on the squad through the entire football season which includes summer camp, regular season and post season games. I must stay with my squad at all times and have the squad's enrollment book. If any conflicts arise I will contact the appropriate chain of command established by the UYFA Spirit Director.
