

PROTECT PROCEDURE –

All player protect forms must be signed by the parent and coach at that players grade table at the UYFA combine on July 18th. The coach, player and parent (legal guardian) & age rep must be present. The UYFA Grade Rep will furnish the protect form. Old protect forms will not be accepted.

Coaches and assistant coaches will still be able to scout, call and interview players. If a player is one that you wish to protect, you will need to inform that parent to meet you at the grade table on July 18th at the UYFA combine. Check in is at 5:30pm – 6pm.

*** If we find that a coach has mis-informed any parents, or that they have had parents sign a protect form or multiple protect forms, that coach will be suspended and will have to meet with the UYFA Coaches Board. ****

*** Any coach that contacts players from another UYFA Roster or coaches that instruct those players to return to the draft, will be suspended and will have to meet with the UYFA Coaches Board***
